Time frame in which quote required ( Place  in one box )

10 Working Days

5 Working Days

3 Working Days

2 Working Days

Turnaround times will be confirmed within 24hrs if all details are present

Where possible, following information should be included with the RFQ

1 Outside frame dimensions of existing system

Length	<input type="text"/>	mm	Width	<input type="text"/>	mm	Height	<input type="text"/>	mm
--------	----------------------	----	-------	----------------------	----	--------	----------------------	----

2 Heated area dimensions of existing IR system

Length	<input type="text"/>	mm	Width	<input type="text"/>	mm
--------	----------------------	----	-------	----------------------	----

3 Heater details

*If more than one type is installed*

Type/model	<input type="text"/>
Wattage	<input type="text"/> W
Voltage	<input type="text"/> V
Quantity	<input type="text"/>
Qty with T/CK <sup>1</sup>	<input type="text"/>

Type/model	<input type="text"/>
Wattage	<input type="text"/> W
Voltage	<input type="text"/> V
Quantity	<input type="text"/>
Qty with T/CK <sup>1</sup>	<input type="text"/>

Type/model	<input type="text"/>
Wattage	<input type="text"/> W
Voltage	<input type="text"/> V
Quantity	<input type="text"/>
Qty with T/CK <sup>1</sup>	<input type="text"/>

<sup>1</sup> If applicable state number of heaters with built in thermocouple type K installed

4 Control zones

Number of zones	<input type="text"/>
-----------------	----------------------

*State number of independent circuits or control zones. Unless each heater is individually wired, a sketch or drawing should be supplied to show zone locations*

5 Fixing method

Please supply a sketch drawing showing all necessary dimensions for fixing system required

6 Electrical connection ( Place  in one box )

Side mounted junction box	<input type="checkbox"/>
Flexible metal conduit	<input type="checkbox"/>

*Minimum height of 250mm required*

Length of conduit for connection to IR heating system (if required)	<input type="text"/>	mm
---	----------------------	----

7 Is a control system required ( Place  in one box )

Yes	<input type="checkbox"/>	No	<input type="checkbox"/>	If yes, state power supply details <sup>3</sup>	<input type="text"/>
-----	--------------------------	----	--------------------------	---	----------------------

<sup>3</sup> State if 1 or 3 phase, supply voltage and if neutral conductor is available

8 Please give any other relevant additional information below
